

The Canadian Breast Cancer Foundation is excited about their new relationship with Mortgage Alliance of Canada (MAC). Through the generous support of MAC's employees, brokers, franchise and countless participants, CBCF the Foundation will be the sole beneficiary of all proceeds raised from the 2010 MAC Rally of Hope.

This 14 day motorcycle event starting July 11, 2010 in Vancouver, British Columbia, will increase awareness of and raise funds for breast cancer research.

We would like to thank everyone involved with the MAC Rally of Hope for their generous support and tireless efforts in supporting our vision of creating a future without breast cancer.

Sincerely,

Joanne Simons
Vice President, Development
